FROM THE PRINCIPAL

How rapidly this term is flying by! Here we are at the end of Week 7 already.

REPORTS
We have now reached that time of the semester where our teachers are currently extremely busy writing their students’ reports. I wish to acknowledge the professionalism and dedication of our staff in preparing these reports; as you can imagine many hours of hard work go into their production!

ASSEMBLY
It was lovely to see the focus on an historical theme at the assembly conducted by the Year 5 students from TA13 last Friday, 3 June. Congratulations to all students involved for the excellent performance of your play, along with your confident speaking and listening skills. Thank you to Miss Burrows, Miss Gordon-Plint and the support staff who helped make this such a successful presentation.

INTER SCHOOL SPORT
Last Friday saw the last of the Round Robin events with Greenwood PS playing Creaney PS in our winter sports. Next week will see the culmination of these events in the Lightning Carnival! Good luck to all students participating in this event. I know you will all represent our school with pride and good sportsmanship.

COMMUNITY SPIRIT
Last week I assisted a couple of students in finding their new classrooms. I was so impressed by the way in which students and staff welcomed these students to our school. Our community spirit is alive and well! Thank you everyone!

PHYS ED
As announced at assembly, Mrs Dunham will be conducting training sessions for Cross Country on Penistone Oval during Phys Ed lessons. Please ensure that children are wearing appropriate footwear for these sessions.

LAPATHON
Our annual Lapathon is due to be conducted next Wednesday, 15 June. Students received the Lapathon Guidelines and Sponsorship forms last week. This is something our children look forward to and enjoy participating in, as they have direct contribution to fundraising for the P&C and school. Let’s hope we are lucky with the weather!

PIRATE DAY
Tomorrow, 10 June, the students at Greenwood PS are taking part in Telethon Adventurers ‘Pirate Day Friday’ in support of childhood brain cancer research. The children are encouraged to dress as a pirate and bring along a gold coin donation to support this worthy cause which aims to make childhood cancer ‘walk the plank’.

PARENT MATHS GAMES AFTERNOON
There are still places available for the Maths Game Afternoon. This event will be held in the Staffroom on Thursday June 23 at 3:30 pm (please note date correction). Parents will be able to take home the games they are shown. Get in quick, as places are limited. Please RSVP to Melissa Kingston TA12 or email: Melissa.Kingston@education.wa.edu.au

MATHS GAMES BORROWING
Thanks to a grant from the P&C, the maths committee has purchased a large amount of maths games to be used in school and at home. Teachers will be implementing these games to reinforce maths skills covered in lessons. Parents will then be able to borrow the same games to use at home. Keep an eye on the class emails sent out by teachers to see when you can start borrowing!

PE NEWS
Last week saw our lightning carnival team compete against Creaney PS in our last round robin game before the lightning carnival. Our teams held up very well with the following results:

- AFL - WIN
- Boys Soccer - WIN
- Girls Soccer - LOSS
- Netball A - WIN
- Netball B - LOSS
- Modcrosse - WIN

The Lightning carnival is fast approaching on Friday 17 June. It is being held at Kingsway sporting complex. Soccer games will be played at Olympic Kingsway soccer club, Modcrosse on the Hockey/Cricket ovals, Netball on the WDNA courts (1-8) and AFL at the Football oval. Please ensure that all students are prepared with a drink bottle, snacks and lunch for throughout the day and their safety equipment of mouthguards and shin guards. It would be great to see as many supporters down there cheering our sporting teams on. Please be aware that students will not be permitted to go home with another family unless a written note has been provided.

This Week has seen the students in Year 1 – 6 start Cross Country training. As mentioned at assembly, could students please be properly dressed to participate. Also if there are any parents out there looking to participate and get fit, I'd love to have the help. If you are interested please see me or leave a message for me at the front office.

CHAPLAIN'S CORNER

URSTRONG

Girlpower and Goodguys are 2 fantastic programs that are an internationally-recognized friendship program that empowers children with the skills, language and self-confidence to be better friends and develop healthier relationships.

Through interactive parent-child activities, parents will learn strategies to help their child put out Friendship Fires, how to put a voice to their feelings and the best way to support him/her through unhealthy friendships. They will also highlight fascinating similarities and differences between boys and girls and their experiences in friendship.

On Saturday 18 June, there will be a Parent-Daughter Workshop called “Language of Friendship”. This workshop will run from 2.00pm-4.00pm at Perth College, Founders Centre for Early Learning. Tickets to the workshop will be $31.80 per person.

If you are interested in this workshop and wish to purchase a ticket or find out more details about these 2 programs, please visit https://urstrong.com. The next Parent-Son workshop will be on Saturday 23 July and I will provide you with more details closer to the time.
